

ACTING APOC

Sisters and Brothers:

Any member that leaves the bargaining unit for a “cushy” Acting APOC position in our local loses their seniority in C.U.P.W. They would start with a seniority date of the date in which they return to the unit.

Members have to be vigilant and notify the Local if this is not happening. If the seniority does not set to **ZERO**, you could be by-passed for positions, shifts, annual leave bids etc.

If you have been by-passed, notify the Local **and file a grievance.**

In Solidarity,

Jane Marsh,
4th Vice-President,
CUPW Toronto Local.
