## “THEY HAVE TAKEN UNTOLD MILLIONS THAT THEY NEVER TOILED TO EARN”

Sisters and Brothers:

The Local is requesting the membership to come out to one of the meetings scheduled to vote **YES** for this important strike mandate. The bulletins are on the bulletin boards, on the Local website and on the National website.

We have tried to conduct as many vote meetings as possible so that the membership has several opportunities to vote. They are at different times, dates, and locations to make it easier for the membership to vote.

**YOU** are the union, it is your time to decide how to proceed with negotiations and a possible strike or settlement. The boss is watching every move we make and are waiting to see how many of our Sisters and Brothers come out to vote. It shows you are interested in achieving a fair and just collective agreement.

We know that with the strength of our members in the Toronto Local who take the time to vote that we can and will make a difference. Send Canada Post a strong message that we are sick of not getting a fair wage increase, we are sick of the work load, we deserve pay equality, we deserve job security and pensions that we can retire with dignity.

**REMEMBER SISTERS AND BROTHERS, CANADA POST MAKES MILLIIONS EVERY QUARTER AND REFUSE TO PAY ITS WORKERS A DECENT WAGE.**

Toronto Local Executive have your best interest at heart. The membership should know that we represent our Local and any recommendations that we request you to make are for your benefit. We know that there are many Locals across the country that have different issues when voting. The cost of living is higher in the GTA. We are looking for a decent wage increase so that our member can keep up with inflation. It is about time!!

Looking forward to seeing you at the meeting, as always

In Solidarity
