WHY YOU SHOULD VOTE YES TO STRIKE MANDATE

Sisters and Brothers:

The reasons you should vote yes to a strike mandate:

- 1) The job security in the current collective agreement is only for those that started prior to December 31, 2012. We have to include everyone.**
- 2) We need a decent wage increase! We also need pay equality so that our members making the lower rate are brought up to ours. We do the same work, we should be paid the same rate.**
- 3) Our pension has to be maintained, we have one of the best pension plans in the country. We need to preserve it so that we can retire with dignity.**
- 4) No rollbacks, we cannot afford to lose any more rights and we should be prepared to stand up and fight for things like a paid lunch and annual leave allotments.**
- 5) We need to improve the Short Term Disability so that it is paid from the first day.**
- 6) We need to strengthen our job creation language so that we get more day jobs, and proper staffing on the machinery such as the MLOCR's**

We are including a new strike vote date of September 5th at the Legion at 243 Coxwell from 6 a.m to 6 p.m. so that the members can come out to vote.
